## SUCCESS FOR 125

LARGEST NUMBER OF EIGHTH GRADE STUDENTS PASS.

## CAN ENTER HIGH SCHOOL

Of the 350 That Tried the Examination 125 Will Receive Certificates of Promotion.

County Superintendent Oakerson announced Monday the eighth grade pupils who passed the eighth grade examination that was held recently in the different townships in the county. There were 350 that took the examination and 125 were successful. This is the largest number that has ever passed an eighth grade examination. The year before there were 117 successful.

A certificate of promotion will be issued to those that passed the examination, and the certificate will entitle them to enter any high school in the state.

## FINISH THIS WEEK

GOVERNMENT BUILDING WILL BE PRACTICALLY DONE.

## ODDS AND ENDS TO DO

Postoffice Will Be Able to Move by May 15—Furniture is Yet to Be Installed.

The new government building will be practically completed by Saturday night, so Superintendent of Construction J. R. Edwards announced Monday. It will probably take three or four days more to finish up the odds and ends of the building, then it will be ready, so far as Mr. Edwards is concerned. Of course, there will be the furniture to install, but this will take only a few days.

Mr. Edwards is now trying to locate a big revolving door that was shipped from Wilmington, Del., March 28. No trace has been received of the door, and unless it is received this week it might delay the work somewhat.

It is figured that by May 15 the postoffice department will be able to move into the new building. It will only take them probably a day and night to move.

All of the glass in the new building, the basement is finished and the second coating of paint is being put on in the main room of the building. The lighting fixtures are all up.

## MORE COMPANIES SUSPEND.

Local Fire Insurance Agents Received Suspension Notices Today.

Three more fire insurance companies that were doing business in Maryville have sent notices to their agents here to suspend business on April 30, owing to the passage of the Orr bill by the legislature, and which was signed by the governor. Colby & Baker received word from the Home Insurance company of New York to quit writing business after April 30. Paul Sisson received word from the Pennsylvania Fire and the New Hampshire to discontinue business after April 30.

It is now thought that all of the insurance companies will suspend business in the state. However, no action has yet been taken by several of the companies.

Cancellation of their business in force in Missouri will follow the revocation of the license of fire insurance companies threatened by Attorney General Barker and Insurance Superintendent Revell of that state in case the companies suspend April 30.

Western managers in Chicago today said they would not want to carry an indefinite liability, much of which extends for five years, if they had no compensating premium income from the state, especially in view of the hostile attitude the revocation of licenses would indicate.

This would make the insurance situation worse than if the companies merely suspended writing until some action could be taken on the Orr law, which is the cause of their suspension. While no new business could be written, the insurance in force would not be disturbed, but if the licenses should be revoked and existing insurance cancelled the effect on business would be unprecedented. Loans would be cancelled if the property couldn't have the protection of insurance, and ordinary commercial credit would practically be suspended, except to those who were able to pay cash for goods purchased, insurance men said.

## Returned to Warrensburg.

Miss Mamie Heflin, who has been teaching near Skidmore, left for her home at Warrensburg, Mo., Monday morning. She had been spending a few days with her aunt, Mrs. Anna Stauble.

Mr. and Mrs. Walter Wray spent Sunday and Monday visiting in Mound City with Mrs. Wray's parents.

## ACCEPTED CALL TO PASTORATE.

Rev. Louis M. Hale of Louisville, Ky., Writes Acceptance to Maryville Baptist Church.

Professor W. W. Westbrook received a letter Monday morning from Rev. Louis M. Hale at Louisville, Ky., in which he accepts the call to the pastorate of the First Baptist church of this city. Rev. Hale will finish the course of the Southern Baptist Theological seminary at Louisville in June. He is pastor of the Baptist church at Scottsburg, Ind., and his engagement with this church will not end until the first of September. The church is unwilling to release him, and unless some influence may be brought to bear that will induce that church to see the necessity for his beginning his pastorate with the Maryville church in June he will not be able to come to Maryville before the first of September.

Rev. Hale and Professor Westbrook were fellow students together in William Jewell college at Liberty, Mo., where Rev. Hale was graduated in 1910. He was an energetic student and held the pastorate of the church at LaPlata, Mo., before and during his student days. He took part in the intercollegiate debates and is considered an eloquent speaker.

The Maryville church has reason to express pleasure over his acceptance.

## WON \$100 PRIZE.

Maryville Ladies Band Walked Off With First Prize at the Contest in St. Joseph Last Saturday.

The Missouri Ladies Military band of Maryville not only won the prize of \$100 in the band contest in St. Joseph Saturday, but they made such a hit by their lady-like deportment that St. Joseph business men said if they had them they would use the organization as boosters for St. Joseph.

The band will use the \$100 it won to apply on the note they gave when they borrowed money for their trip to Washington. The indebtedness was between \$170 and \$175. The \$100 will make quite a dent in the note, and the girls are naturally very happy over the result of their trip.

The King City band won first place as the best men's band, and Whitesville second.

One other band received a prize of \$100, and that was the King City band. The Whitesville Rube band received a prize of \$75, and the New Points band received the \$50 prize.

The St. Joseph News-Press had a picture of the Maryville ladies band out in front of the News-Press building and used the cut in Saturday evening's paper. Both St. Joseph papers spoke highly of our girls and said they made a "big hit," calling attention to the fact that they led the suffragette parade in Washington, D. C., March 3 last.

## THE MCCLUSKEY WILL.

Estate is Left to Daughter, Miss Maud McCluskey—Joseph Jackson, Sr., Administrator.

The will of the late S. C. McCluskey, whose death occurred in March, was filed in probate court Monday. The will was written January 27, 1910, and was witnessed by J. F. Colby and Joseph Jackson, Jr. By the terms of the will all of the estate, both real and personal, is left to a daughter, Miss Maud E. McCluskey. At her death, if she should die without issue, the estate is to be divided among John A. and Floyd M. McCluskey of Glenwood, Ia. George Robb Ellison was named as executor of the estate, but having declined to serve, Joseph Jackson, Sr., was appointed as administrator of the estate with will annexed.

## Remodeling Office.

The Phares lumber office is being remodeled and plastered. It will also be painted, and when completed will be a new office with new fixtures.

Miss Bess Porter and Miss Edna Hollister went to Bolckow Saturday for a week-end visit with Misses Lillis and Nellie Knappenberger.

## BIG NORMAL WEEK

COMMUNITY LIFE CONFERENCE AND TEACHERS FIRST.

## RICHARDSON TO PRESIDE

Several Prominent Speakers—The Literary Contests Friday Night—Track Meet Saturday.

The latter part of this week will be a big week for Maryville and the Normal school. Under the auspices of the Normal the second annual rural community life conference will be held Thursday, the Northwest Missouri Teachers' association on Friday evening, and the track meet on Saturday. Many visitors will be in the city, and on Saturday many high schools over the Normal district will send large delegations. A special train will be run on the Burlington from St. Joseph on Saturday, and returning will leave Maryville after the track meet is over.

The rural community conference will be held at the Normal assembly room, and H. C. Filley of the agricultural department of the University of Nebraska will be the first speaker. His subject will be "The Rural Problem and Farm Management," and his address will be given at 10:30 o'clock in the morning of that day. W. S. Gearhart, highway engineer of Kansas will speak in the afternoon at 2:30 o'clock. His address will be on "How to Make Good Roads."

The new president of the Normal, Ira Richardson, will preside at the conference, since R. T. Forbes of St. Joseph, the president of the conference, will be unable to be here.

The opening session of the Northwest Missouri Teachers' association will be Thursday evening. The speaker of the evening will be W. F. Barr, director school of education of Drake university, Des Moines, Ia. His subject will be "Our Obligation to Our Children." Rev. Gilbert S. Cox will give the invocation on that evening, and Miss Gayle Jackson will give a vocal solo. A cornet solo will also be given by T. B. Maulding.

The track meet promises to be an interesting event. Many high schools are entered.

A belated entry for the track meet was received Monday by Corresponding Secretary V. I. Moore from the Bogart high school. Only one man is entered for one event, the mile run. The Bogart school authorities claim they did not receive their entry blanks in time to get their entry in before the time was up.

The latest "phenom" reported in local track meet talking bees, who is to compete next Saturday, is Simpson, the Bosworth high school star, whose specialty is broad jumping somewhere in the vicinity of twenty-one feet, and doing about 5 feet 4 inches in the running high jump, both of which marks, if really accomplished by the Carroll county youth, will count for firsts as well as an elevation of the records for those events in the local meet.

## THE UNLUCKY SEVENTH.

Five Runs Totaled by Conception College Left the Local Normal Team Behind.

The Normal base ball team lost a hard luck game to the Conception college nine Saturday at Conception by a count of 5 to 4. John McDougal, the Normal's southpaw pitcher, started the game for the teachers, and for six innings held the Catholics without a hit nor a run. In the unlucky seventh the first two collegians only touched "Mac" for safeties, and he grew unsteady and walked the next two men, forcing a man across the plate. At that interval Capt. Wilson took up the duties on the mound, and after striking out the next hitter, he grooved one for Wernman, the collegians' star swatter, who sent a liner to left center, which Daise let trickle through his hands for a triple, clearing the bases. Another hit and a wild pitch put two more runs across for the enemy, making the count 5-4, which proved to be the final score.

The locals got their runs early in the game. With a man on second and third in the first inning, Lamar singled through short, scoring both men. The teachers got their last two runs in the fifth, on two hits mixed with a couple of errors.

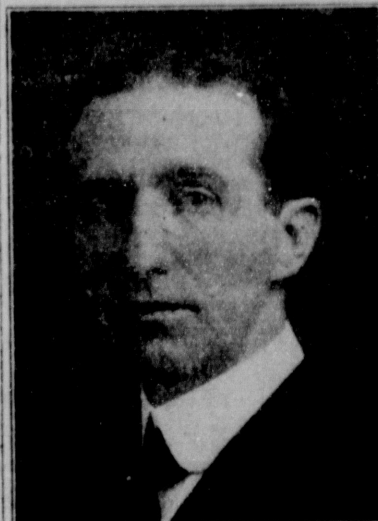

The collegians will play a return game on the Normal field the first week in May.

The Normal line-up in the Conception game was: McKee, catcher; McDougal, Wilson, pitcher; Perrin, first base; Vandersloot, second base; Birde, third base; Brittain, left field; Daise, center field; Long, right field.

## Guest From Boston.

Mrs. Nellie J. Bean of Boston, Mass., is visiting her sister, Mrs. H. R. Hancock, and family. Mrs. Bean stopped in Maryville on her way home from a visit in Los Angeles, Cal., since February, with her son.

## THE NEW PRESIDENT OF NORMAL

PROF. IRA RICHARDSON. Photo by Crow.

Prof. Ira Richardson, the newly appointed president of the Northwest Normal, was given a hearty greeting by the students of the school when he appeared in the auditorium at the chapel exercises Monday morning. Dean Colbert conducted the devotional exercises, after which President Richardson made a brief talk, in which he assured the students and faculty that he hoped to aid in every phase of the school life, and that he, in turn, would appreciate the co-operation of the entire school.

Mr. Richardson will be acting president of the Normal until June 1, at which time he will become president of that institution. Mr. Richardson was selected by the board of regents to succeed Dr. H. K. Taylor, who resigned to take effect June 1. Mr. Taylor's resignation was caused by ill health, as it is feared he is suffering from a nervous breakdown.

## SENT TO THE ASYLUM.

Ed Flemming of Hopkins, Who Has Been in the County Jail, Taken There Today.

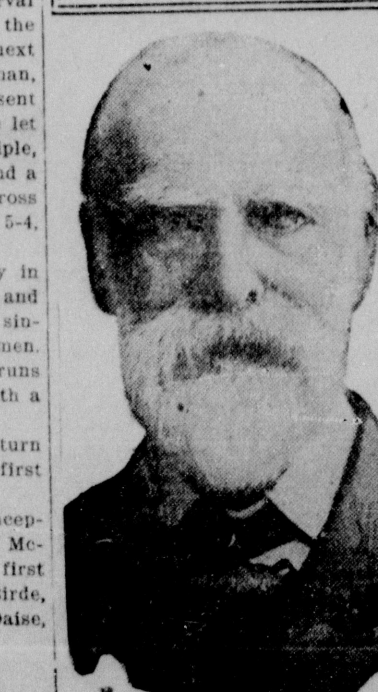

A special session of the county court was held Monday afternoon and Ed Flemming of Hopkins, who has been in the county jail since last November, was ordered sent to the insane asylum at St. Joseph. He was taken to that institution this afternoon by Sheriff Ed Wallace.

Flemming was in jail for drunkenness and disturbing the peace. He had been in before. Flemming was a hard drinker and it is thought that probably this had something to do with him being mentally unbalanced. He did not display any signs until Friday night, when he made an attempt to take his life by hanging himself with a rope he made from a blanket. He again tried this, but both times he was caught by Sheriff Wallace. The first time, however, Flemming had nearly succeeded in his attempt. He also imagines that a mob is after him. Friday night, Flemming expressed a wish and a desire to become a member of the church, and Sheriff Wallace sent for Rev. C. J. Miller of the First Christian church of this city, and Flemming was immersed.

Mr. and Mrs. M. L. Hoover of Savannah returned home Monday morning from a visit with Mrs. Hoover's father, J. T. Roberts and family.

## HON. JAMES BRYCE.

Retiring Ambassador From England, Who Sees End of Tolls Question.

Ambassador Bryce is quoted as having sent a report to London that President Wilson favored an early settlement of the vexed Panama canal tolls problem and intimated the president would soon issue a statement defining the administration's position.

## PLACE FOR CRAIG

GOVERNOR APPOINTS HIM IN PLACE OF S. G. GILLAM.

## BOTH MAY GO ON TRIP

Senator Craig Introduced Bill Providing for Commission to Visit Countries of Europe.

Senator Anderson Craig of this city was appointed Monday by Governor Major as Missouri member of the southern commercial congress, which will leave in a week or so for a trip to the old countries in Europe to study the question of agricultural credits. Mr. Craig was appointed to take the place of S. G. Gillam of this city, who declined the appointment, as he was uncertain at that time whether he would be able to make the trip on account of business reasons. Mr. Gillam was selected by Governor Major on April 7, and his resignation was given to the governor a few days after.

It is probable that Mr. Craig will be unable to make the trip to Europe. He has not definitely decided, however.

Mr. Gillam was chosen by the southern commercial congress at Washington, D. C., a delegate at large, and if he is able to make the trip he will go in that capacity.

Senator Craig fathered the bill in the senate for the appointment of a delegate from this state by Governor Major to visit Europe. The purpose of the investigation is to work out some system which will enable the farmers of this country to borrow money at the very lowest rates of interest, and it is thought that the result will be to entirely reorganize and revolutionize the systems in operation in this country.

The countries that will be visited by the members of the southern commercial congress will be Italy, Hungary, Austria, Germany, Denmark, Sweden, Holland, Belgium, France, England and Ireland.

## DEATH AT SKIDMORE.

John Gray, an Old Resident, Passed Away Saturday Night of Cancer—Funeral Monday.

John Gray, aged 72 years, died Saturday night at 11:55 o'clock, after a several months' illness from cancer. He died at the home of his son, Mervyn Gray, in Skidmore. Another son, Theodore C. Gray, lives in Skidmore. Three daughters were also present when their father passed away, Mrs. Clara Burnham and Miss Bess Gray of El Paso, Texas, and Mrs. Allie Merritt of Fairseal, Neb. There are two other daughters, one in New York and another in Colorado. Mr. Gray's wife died many years ago. He had been a resident of the Skidmore vicinity for thirty-five years.

The funeral services were held Monday afternoon in the M. E. church of Skidmore, conducted by Rev. W. H. Welton.

## WABASH OFFICIALS COMING.

Maryville's Mysterious Woman Still Puzzles Metropolitan Newspaper Sleuths.

Maryville's curious woman on East Second street is attracting, at least, attention from the newspapers, and the following is what the Sunday Kansas City Star had to say in regard to her:

Maryville still has her mysterious old woman—and she's just as mysterious now as she was the day last fall when she drove her fine team, hitched to a covered wagon, down into a low lot four blocks from the public square and put up for the winter. No one ever has been able to find out where she came from, where she is going, when she is going, or if she is going. Her motto is: "I don't ask nobody about their business and I don't tell nobody mine."

She lives squarely up to her motto, too.

Her name is Mary Ashby—Miss Mary Ashby at that. She is nearly 70 years old, has money, fine horses, and, unlike the traditional woman, she can keep a secret—and does.

Miss Ashby's domicile is a light spring wagon; that is, the main house is this wagon. In addition there is a "lean-to" built of discarded pieces of corrugated iron, old boxes and pieces of carpet and burlap. Both wagon and shack are crammed and jammed with trunks and boxes and bedding. Under the wagon is an enclosed space that serves as a henhouse. For the mysterious woman has a fine drove of chickens. Like her horses, the chickens are of good stock. The horses are on pasture out in the country near Maryville, and their owner draws a check regularly every month in payment of their keep. The check, which is on a bank back in Illinois, is always promptly honored.

When the strange woman took up her abode in Maryville persons in the neighborhood saw that she was all alone, and they sought to be friendly to her. Their advances met with a coldness that sent them back home in a hurry, but didn't allay their curiosity a bit. Their curiosity grew and they tried to find out more about her. But there never was a bit of success. Even when she fell ill during the coldest weather of the winter, and was taken to a nearby home for treatment and nursing, she never lost her uncommunicativeness. When she got well she thanked her benefactor and went back to her shack. But she didn't tell—not a word.

For awhile there were rumors that she was a member of a band of robbers and that she was hiding from justice. But those rumors soon died out. Now she is accepted as merely an eccentric woman who chooses to live alone with her horses and chickens—but nobody knows. She still sticks to her motto. She asks no one about his business. And, up to date, she hasn't told anyone about hers.

**White Way Cable is Here.**

Mrs. M. L. Conley and children of St. Joseph, who have been visiting Mrs. Conley's mother, Mrs. H. A. Byers, returned home Saturday evening. The visitors stopped in Maryville from a visit in Chicago.

**INTEREST CENTERS  
IN AMENDMENTS**Administration's Efforts Softens  
Japanese Ire.

Sacramento, Cal., April 21.—In the absence of new developments in the anti-Japan land situation, interest centered in the amendments to be offered to the senate measure today by Senator Birdsell, if the bill comes up. There is some doubt as to its being reached, as it is far down the list. Birdsell's amendments are designed to make the bill more particularly anti-Japanese by framing it so as not to affect corporations composed of European capitalists.

Other amendments may be offered. Some members have been in favor of striking out the restrictions on corporations altogether, but general opinion has been that such a method would so easily of evasion as to make the act ineffectual.

Tokyo, April 21.—The announcement that President Woodrow Wilson and Secretary of State Bryan are making efforts to bring about a compromise in the proposed California legislation with respect to the alien land ownership bill and that Governor Hiram Johnson is opposing the bill has softened Japanese ire and public opinion has now become more optimistic.

### The Missouri Hen.

The worth of the Missouri hen has become world famous, and justly, too, as she has become a veritable gold mine to the Missouri farmer and poultry raiser. As an indication of her worth in and around Skidmore the Skidmore merchants took in Saturday one hundred and seventy cases of eggs or 5,100 dozen, which at 17 cents per dozen netted the sellers the magnificent sum of \$867. A part of this was cash, and all of it its equivalent, as one buyer was paying spot cash, and the sellers had the option of cash or merchandise.

This was not an accumulated stock of eggs, marketed in one day, but a regular Saturday's egg trade, bought through the regular channels of business, brought in and sold by the farmers.—New Era.

### Farmers, Test Your Seed Corn.

The passenger department of the Wabash railroad is again distributing printed posters broadcast at points on its line, urging farmers to test the seed corn which they propose to use for planting this spring. No seed corn should be used for planting until fully tested, in order to obtain the best possible results. The printed poster which is being distributed by the Wabash railroad is a facsimile of the germination cloth used in testing seed corn, and shows by illustrations a simple and comprehensive plan. Every farmer who proposes to plant corn this spring should secure a copy of this poster. Same can be obtained free from any Wabash agent, or by addressing J. D. McNamara, general passenger agent, Wabash R. R., St. Louis, Mo.

## TARIFF BILL IN THE HOUSE

Amended Measure is Reinforced by Underwood.

ONLY MINOR CHANGES MADE.

Majority Leader Predicts Passage of Measure in House by May 15—Oral Hearings on Bill Will Not Be Granted by Senate Finance Committee.

Washington, April 21.—The Democratic tariff revision bill, with its sweeping reductions, long free list and its income tax provision, was reintroduced in the house today by Majority Leader Underwood.

It will be reported favorably by the majority of the ways and means committee tomorrow and called up for debate on Wednesday.

Chairman Underwood predicted that the bill would be passed in the house by May 15. Two months, the administration leaders believe, is a generous time to allot to the senate for its consideration, and passage, and unless it is decided to bring in a currency bill thereafter, congress should be ready to adjourn about July 15.

The bill as approved by President Wilson came through the caucus unscratched. Democratic opponents to free sugar in three years, and to free wool, made the most vigorous fights on the president's suggestions adopted by the ways and means committee, but they were hopelessly outvoted with little chance to develop enough opposition with Republican alliance to do anything with their amendments on the floor of the house.

### Principal Changes Made.

The principal changes made in the bill were: Shoe machinery, buck wheat, rye, rabbit fur and phosphoric acid transferred from dutiable to the free list; onyx reduced from 65 cents to 50 cents a cubic foot, to put it on the same basis as marble; diamonds, uncut, are unchanged, but cut diamonds, increased from 15 to 20 per cent; castor oil, reduced from 15 to 12 per cent; cod, seal and herring oil reduced from 5 to 3 per cent; vanilla beans, reduced from 50 to 30 cents a pound; salts and other compounds and mixtures of which bismuth, gold, platinum, rhodium, silver, tin and uranium constitute the chief value, cut from 15 to 10 per cent.

Representative Hardwick insisted it would be necessary to draw a line on the offering of amendments. He introduced a resolution, which was referred for subsequent action, providing the tariff bill shall be passed under a special rule, restricting general debate to eight legislative days, and that the minority in the house shall be limited in the offering of not more than two amendments as substitutes to each schedule of the bill.

The caucus adopted an amendment fixing May 1, 1916, as the date when raw sugar should go on the free list. The time when the income tax shall become effective was left subject to future disposition by the house.

### Minority Report Presented.

That ad valorem duties, such as proposed in the Democratic tariff bill, are "a delusion and a snare," that the radical tariff revision submitted by the Democrats is inexcusable and uncalled for and that an accounting will come for its enactment into law are contentions of the Republican members of the ways and means committee in a minority report presented to the house today.

"There is no excuse for the radical change in our revenue system proposed by this Democratic bill," says the report, which is signed by Representatives Payne, Fordney, Gardner, Moore, Green and Anderson. "The people have not asked it. The party proposing it is in power, not by the grace of a majority of the American people, but by a division in the ranks of the majority on other questions than of protection. The administration has the power to enact the legislation. The accounting for the abuse of that power will come later."

The report contends that the bill has caused "intense and widespread alarm in business circles."

Asserting that the Democratic bill "seems to meet with approval on the other side of the Atlantic," the report declares that the protective feature has been entirely eliminated in the framing of the bill.

Oral hearings on the tariff will not be granted by the senate finance committee, according to the unofficial opinion of Democrats of the committee. Business men interested will be allowed to file briefs, but the committee does not propose to spend several months in listening to arguments, which its members feel would be largely a repetition of the testimony already given before the house ways and means committee.

### Appeal Issued for Prayers for China.

New York, April 21.—The Chinese government's request for the prayers of Christian churches within its borders Sunday, April 27, was made the subject of an open appeal to clergymen of all denominations throughout America to join in intercession for the new republic. The appeal was made by Dr. Arthur J. Brown, chairman of the committee of reference and counsel representing the foreign missions conference of North America and by the federal council of the churches of Christ in America.

### GOOD NEWS.

Many Maryville Readers Have Heard It and Profited Thereby.

"Good news travels fast," and the thousands of bad back sufferers in Maryville are glad to learn where relief may be found. Many a lame, weak and aching back is bad no more, thanks to Doan's Kidney Pills. Our citizens are telling the good news of their experience with this tested remedy. Here is an example worth reading:

J. E. Bratcher, 1302 East Second street, Maryville, Mo., says: "It gives me pleasure to verify the testimonial I gave for Doan's Kidney Pills some years ago. I had kidney complaint and Doan's Kidney Pills relieved it. Others in the family have used this remedy for backache and kidney trouble and it has always done good work. I got Doan's Kidney Pills at Love & Gaugh's drug store and can say that they are a fine kidney medicine."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

### HOW TO RESIST.

#### Chronic Coughs and Colds.

Strong, vigorous men and women hardly ever catch cold; it's only when the system is run down and vitality low that colds and coughs get a foothold.

Now isn't it reasonable that the right way to cure a cough is to build up your run down condition again?

Mrs. Olivia Parham of East Durham, N. C., says: "I took Vinol for a chronic cough which had lasted two years and the cough not only disappeared, but it built up my strength as well."

The reason Vinol is so efficacious in such cases is because it contains a delicious concentrated form of the medicinal curative elements of cod liver oil, with tonic, blood building iron added.

Chronic coughs and colds yield to Vinol because it builds up the weakened, run-down system.

You can get your money back any time if Vinol does not do all we say. Orear-Henry Drug Co., Maryville, Mo.—Advertisement.

### Left for Oklahoma.

Mrs. A. L. Waite of Tulsa, Okla., who has been visiting her parents, Professor and Mrs. B. F. Duncan, left for her home Monday morning.

### "STOMACH MISERY ALL GONE."

"My! How I Did Suffer, But Now I'm Happy All Day Long and Sleep Fine."

That's what a woman said just a few months ago. She said more, and here it is:

"I wish it lay within my power to persuade every woman sufferer from dyspepsia or indigestion (or whatever they may think their stomach trouble is) to give MI-O-NA Stomach Tablets one week's fair trial. I am sure that every one of them would thank me from the bottom of her heart."

"I am well and happy for the first time in years and I do not hesitate to give MI-O-NA Stomach Tablets all the credit." Follow this advice. Give MI-O-NA Stomach Tablets a week's trial; if they do not benefit, the Orear-Henry Drug Co. will return the cost—50 cents.—Advertisement.

## COLUMBUS (49510)

The Percheron bred horse is a black with long star, weighs about 1,800 pounds, foaled May 21, 1905. Was sired by Clay Center (44686) first dam Helen (48614). For further reference to breeding call for pedigree.

Helen (48614) the dam of Columbus (49510) was bought by the agricultural college of Lansing, Mich., at a long price and has since proven to be a very valuable mare. She weighs 2,000 pounds and has quality and moves like a Coach horse. Clay Center, the sire of Columbus, is one of the leading sires in Illinois and weighs 2,150.

Columbus has great style and action, with the best of legs, hocks and eyes. He has proven to be one of the best sires, one of his colts weighing 900 pounds at six months, and selling for \$150, and yearling fillies selling for \$175 each.

Columbus will make the season of 1913 at my farm, three-quarters of a mile southwest of Wilcox, at \$12.50 to insure colt to stand and suck. Mares parted with or moved from neighborhood money becomes due. Colts stand for service fee until same is paid. Care will be taken to prevent accidents but will not be responsible should any occur.

For any information or dates of service telephone me 12-15 at Maryville or write me at Wilcox.

## I.W.W. SWARM AT GRAND JUNCTION

Industrial Workers, Sixty Strong, Settle Down Upon Town.

### REFUSE TO PAY FOR MEALS.

Citizens Spend Night Organizing Posse to Drive Them From Town. Police Have Hands Full in Rounding Up Unwelcome Visitors.

Grand Junction, Colo., April 21.—Sixty militant members of the Industrial Workers of the World arrived in Grand Junction and at once caused trouble with the police. Led by Jack McDonald, martyr of San Diego, they marched at once to police headquarters, where they demanded food. It was denied them.

Sixty of the band then went to a restaurant, where they ordered a plentiful meal, for which they refused to pay. The proprietor called the police and special deputies arrived at the restaurant before the Industrial Workers of the World had left. With drawn revolvers the deputies demanded and forced payment for the dinner.

The men then declared that there was no money in the party, but they expected to stay in the city for three days and he fed. Citizens spent last night organizing posses to drive the visitors from Grand Junction today.

### CONFESSES SLAYING THREE

Week Minded Youth Admits Killing Mrs. Sleep and Two Children.

Elgin, Ill., April 21.—Herman Copes, whose mentality is so low that at sixteen years of age he has been only able to advance to the fourth grade in school, confessed that he was the slayer of Mrs. Manny Sleep and her two small children, whose bodies were found in a cistern under the kitchen of the Sleep farm house, five miles west of Elgin. Copes says the killing resulted from Mrs. Sleep saying that she "would see about it" when he had refused in ill-humor to do one of his accustomed chores after school.

### GOVERNMENT STANDS FIRM

No Indication That It Will Recede From Position in Strike.

Brussels, April 21.—Spokesmen of the government do not admit that there is any intention to alter their position in the slightest in the general strike for manhood suffrage. There is no doubt, however, that events of the last week have made a profound impression, and in well informed political circles nobody would be surprised to see the government make overtures when the chamber reconvenes tomorrow.

### URGES WORK CURE FOR SPRING FEVER

Topeka, April 21.—A blow at the old time "spring tonics," sassafras and sarsaparilla, was given by Dr. S. J. Crumrine, secretary of the Kansas board of health. He declared the judicious use of a hoe, spade and garden rake each morning was much more useful than the remedies mother used to make.

### St. Louis Suburb Wiped Out by Fire

St. Louis, April 21.—Fire wiped out the business section of Penton, a village sixteen miles southwest of St. Louis, and destroyed several homes. The blaze was put out only when an engine company made a run from the outskirts of St. Louis. The loss is estimated at \$200,000. A hundred persons are homeless.

Police Say Martin Is Not in Vevey. Vevey, Switzerland, April 21.—The police of this city have visited every hotel, boarding house and clinic, taking with them a photograph of Joseph W. Martin of Memphis, who has been missing from London since April 3 but they were unable to find him. They are convinced he is not in Vevey.

### Train Numbers Changed.

Fort Dodge, Ia., April 21.—For the first time in thirty years the numbers of Illinois Central trains between Chicago and Omaha and Sioux City will be changed. Where the lowest number heretofore has been No. 2 east bound, No. 11 now will be the lowest.

### Road Fined for Favoritism.

Indianapolis, April 21.—The Michigan Central Railway company was fined \$5,000 by Judge Anderson on conviction on two indictments charging it with granting unlawful concessions in rates to Chapin & Co., Milwaukee grain shippers.

### New Vice Consul General.

Yankton, S. D., April 21.—Sig O. Hanger of Yankton has been notified by Norwegian Consul General Ravn of New York that he has been appointed vice consul for South Dakota, an important position in this state of large Norwegian population.

### John P. White at Boone.

Boone, Ia., April 21.—John P. White, president of the United Mine Workers of America, arrives here Thursday for a big evening rally in Lincoln armory. White is to talk on organization and union labor.

### Here From Des Moines.

Roy D. Brunson of Des Moines, Ia., arrived in Maryville Saturday and visited over Sunday with Mrs. Brunson and their little daughter, who arrived in the city last Thursday on a visit to her parents, Mr. and Mrs. I. W. Nixon.

Rev. and Mrs. J. A. Carmichael, living east of Maryville, went to Burlington Junction Saturday evening to spend Sunday with their daughter, Mrs. G. M. Worth.

## TO FRESCO THE CHURCH.

Contract for Work at Christian Church Let a 1 Will Start Next Monday.  
The Christian church is to be frescoed and the contract was let Saturday to Louis Syberkrop of Des Moines, Ia. The work will cost in the neighborhood of \$600. He will commence work next Monday morning and it will take two weeks. The frescoing will complete the renovation and extension of the building, the improvements having cost over \$3,000.  
While the church is being frescoed services will be held probably in the court house. This is not definitely decided, however. Prayer meeting, a part of the Sunday school and Endeavor society will probably be able to hold their meetings at the church in the Sunday school rooms.

Mrs. John Grimes and daughter were shopping in Maryville Saturday.

## FINISH THIS WEEK

GOVERNMENT BUILDING WILL BE PRACTICALLY DONE.

## ODDS AND ENDS TO DO

Postoffice Will Be Able to Move by May 15—Furniture is Yet to Be Installed.

The new government building will be practically completed by Saturday night, so Superintendent of Construction J. R. Edwards announced Monday. It will probably take three or four days more to finish up the odds and ends of the building, then it will be ready, so far as Mr. Edwards is concerned. Of course, there will be the furniture to install, but this will take only a few days.

Mr. Edwards is now trying to locate a big revolving door that was shipped from Wilmington, Del., March 28. No trace has been received of the door, unless it is received this week it might delay the work somewhat.

It is figured that by May 15 the postoffice department will be able to move into the new building. It will only take them probably a day and night to move.

All of the glass is in the new building, the basement is finished and the second coating of paint is being put on in the main room of the building. The lighting fixtures are all up.

## MORE COMPANIES SUSPEND.

Local Fire Insurance Agents Received Suspension Notices Today.

Three more fire insurance companies that were doing business in Maryville have sent notices to their agents here to suspend business on April 30, owing to the passage of the Orr bill by the legislature, and which was signed by the governor. Colby & Baker received word from the Home Insurance company of New York to quit writing business after April 30. Paul Sisson received word from the Pennsylvania Fire and the New Hampshire to discontinue business after April 30.

It is now thought that all of the insurance companies will suspend business in the state. However, no action has yet been taken by several of the companies.

Cancellation of their business in force in Missouri will follow the revocation of the license of fire insurance companies threatened by Attorney General Barker and Insurance Superintendent Revell of that state in case the companies suspend April 30.  
Western managers in Chicago today said they would not want to carry an indefinite liability, much of which extends for five years, if they had no compensating premium income from the state, especially in view of the hostile attitude the revocation of licenses would indicate.

This would make the insurance situation worse than if the companies merely suspended writing until some action could be taken on the Orr law, which is the cause of their suspension. While no new business could be written, the insurance in force would not be disturbed, but if the licenses should be revoked and existing insurance cancelled the effect on business would be unprecedented. Loans would be cancelled if the property couldn't have the protection of insurance, and ordinary commercial credit would practically be suspended, except to those who were able to pay cash for goods purchased, insurance men said.

## Returned to Warrensburg.

Miss Mamie Hefflin, who has been teaching near Skidmore, left for her home at Warrensburg, Mo., Monday morning. She had been spending a few days with her aunt, Mrs. Anna Stauble.

Mr. and Mrs. Walter Wray spent Sunday and Monday visiting in Mound City with Mrs. Wray's parents.

## ACCEPTED CALL TO PASTORATE.

Rev. Louis M. Hale of Louisville, Ky., Writes Acceptance to Maryville Baptist Church.

Professor W. W. Westbrook received a letter Monday morning from Rev. Louis M. Hale at Louisville, Ky., in which he accepts the call to the pastorate of the First Baptist church of this city. Rev. Hale will finish the course of the Southern Baptist Theological seminary at Louisville in June. He is pastor of the Baptist church at Scottsburg, Ind., and his engagement with this church will not end until the first of September. The church is unwilling to release him, and unless some influence may be brought to bear that will induce that church to see the necessity for his beginning his pastorate with the Maryville church in June he will not be able to come to Maryville before the first of September.

Rev. Hale and Professor Westbrook were fellow students together in William Jewell college at Liberty, Mo., where Rev. Hale was graduated in 1910. He was an energetic student and held the pastorate of the church at LaPlata, Mo., before and during his student days. He took part in the intercollegiate debates and is considered an eloquent speaker.

The Maryville church has reason to express pleasure over his acceptance.

## WON \$100 PRIZE.

Maryville Ladies Band Walked Off With First Prize at the Contest in St. Joseph Last Saturday.

The Missouri Ladies Military band of Maryville not only won the prize of \$100 in the band contest in St. Joseph Saturday, but they made such a hit by their lady-like deportment that St. Joseph business men said if they had them they would use the organization as boosters for St. Joseph.

The band will use the \$100 it won to apply on the note they gave when they borrowed money for their trip to Washington. The indebtedness was between \$170 and \$175. The \$100 will make quite a dent in the note, and the girls are naturally very happy over the result of their trip.

The King City band won first place as the best men's band, and Whitesville second.

One other band received a prize of \$100, and that was the King City band. The Whitesville Rubie band received a prize of \$75, and the New Points band received the \$50 prize.

The St. Joseph News-Press had a picture of the Maryville ladies band out in front of the News-Press building and used the cut in Saturday evening's paper. Both St. Joseph papers spoke highly of our girls and said they made a "big hit," calling attention to the fact that they led the suffragette parade in Washington, D. C., March 3 last.

## THE MCCLUSKEY WILL.

Estate is Left to Daughter, Miss Maud McCluskey—Joseph Jackson, Sr., Administrator.

The will of the late S. C. McCluskey, whose death occurred in March, was filed in probate court Monday. The will was written January 27, 1910, and was witnessed by J. F. Colby and Joseph Jackson, Jr. By the terms of the will all of the estate, both real and personal, is left to a daughter, Miss Maud E. McCluskey. At her death, if she should die without issue, the estate is to be divided among John A. and Floyd M. McCluskey of Glenwood, Ia. George Robb Ellison was named as executor of the estate, but having declined to serve, Joseph Jackson, Sr., was appointed as administrator of the estate with will annexed.

## Remodeling Office.

The Phares lumber office is being remodeled and plastered. It will also be painted, and when completed will be a new office with new fixtures.

Miss Bess Porter and Miss Edna Hollister went to Bolckow Saturday for a week-end visit with Misses Lillis and Nellie Knappenberger.

## BIG NORMAL WEEK

COMMUNITY LIFE CONFERENCE AND TEACHERS FIRST.

## RICHARDSON TO PRESIDE

Several Prominent Speakers—The Literary Contests Friday Night—Track Meet Saturday.

The latter part of this week will be a big week for Maryville and the Normal school. Under the auspices of the Normal the second annual rural community life conference will be held Thursday, the Northwest Missouri Teachers' association on Friday, the literary contests on Friday evening, and the track meet on Saturday. Many visitors will be in the city, and on Saturday many high schools over the Normal district will send large delegations. A special train will be run on the Burlington from St. Joseph on Saturday, and returning will leave Maryville after the track meet is over.

The rural community conference will be held at the Normal assembly room, and H. C. Filley of the agricultural department of the University of Nebraska will be the first speaker. His subject will be "The Rural Problem and Farm Management," and his address will be given at 10:30 o'clock in the morning of that day. W. S. Gearhart, highway engineer of Kansas will speak in the afternoon at 2:30 o'clock. His address will be on "How to Make Good Roads."

The new president of the Normal, Ira Richardson will preside at the conference, since R. T. Forbes of St. Joseph, the president of the conference, will be unable to be here.

The opening session of the Northwest Missouri Teachers' association will be Thursday evening. The speaker of the evening will be W. F. Barr, director school of education of Drake university, Des Moines, Ia. His subject will be "Our Obligation to Our Children." Rev. Gilbert S. Cox will give the invocation on that evening, and Miss Gayle Jackson will give a vocal solo. A cornet solo will also be given by T. B. Maulding.

The track meet promises to be an interesting event. Many high schools are entered.

A belated entry for the track meet was received Monday by Corresponding Secretary V. I. Moore from the Bogart high school. Only one man is entered for one event, the mile run. The Bogart school authorities claim they did not receive their entry blanks in time to get their entry in before the time was up.

The latest "phenom" reported in local track meet talking bees, who is to compete next Saturday, is Simpson, the Bosworth high school star, whose specialty is broad jumping somewhere in the vicinity of twenty-one feet, and doing about 5 feet 4 inches in the running high jump, both of which marks, if really accomplished by the Carroll county youth, will count for firsts as well as an elevation of the records for those events in the local meet.

## THE UNLUCKY SEVENTH.

Five Runs Totaled by Conception College Left the Local Normal Team Behind.

The Normal base ball team lost a hard luck game to the Conception college nine Saturday at Conception by a count of 5 to 4. John McDougal, the Normal's southpaw pitcher, started the game for the teachers, and for six innings held the Catholics without a hit nor a run. In the unlucky seventh the first two collegians up touched "Mac" for safeties, and he grew unsteady and walked the next two men, forcing a man across the plate. At that interval Capt. Wilson took up the duties on the mound, and after striking out the next hitter, he grooved one for Wortman, the collegians' star swatter, who sent a liner to left center, which Daise let trickle through his hands for a triple, clearing the bases. Another hit and a wild pitch put two more runs across for the enemy, making the count 5-4, which proved to be the final score.

The locals got their runs early in the game. With a man on second and third in the first inning, Lamar singled through short, scoring both men. The teachers got their last two runs in the fifth, on two hits mixed with a couple of errors.

The collegians will play a return game on the Normal field the first week in May.

The Normal line-up in the Conception game was: McKee, catcher; McDougal, Wilson, pitcher; Perrin, first base; Vandersloot, second base; Birde, third base; Brittain, left field; Daise, center field; Long, right field.

## Guest From Boston.

Mrs. Nellie J. Bean of Boston, Mass., is visiting her sister, Mrs. H. R. Hancock, and family. Mrs. Bean stopped in Maryville on her way home from a visit in Los Angeles, Cal., since February, with her son.

## THE NEW PRESIDENT OF NORMAL

PROF. IRA RICHARDSON. Photo by Crow.

Prof. Ira Richardson, the newly appointed president of the Northwest Normal, was given a hearty greeting by the students of the school when he appeared in the auditorium at the chapel exercises Monday morning. Dean Colbert conducted the devotional exercises, after which President Richardson made a brief talk, in which he assured the students and faculty that he hoped to aid in every phase of the school life, and that he, in turn, would appreciate the co-operation of the entire school.

Mr. Richardson will be acting president of the Normal until June 1, at which time he will become president of that institution. Mr. Richardson was selected by the board of regents to succeed Dr. H. K. Taylor, who resigned to take effect June 1. Mr. Taylor's resignation was caused by ill health, as it is feared he is suffering from a nervous breakdown.

## SENT TO THE ASYLUM.

Ed Flemming of Hopkins, Who Has Been in the County Jail, Taken There Today.

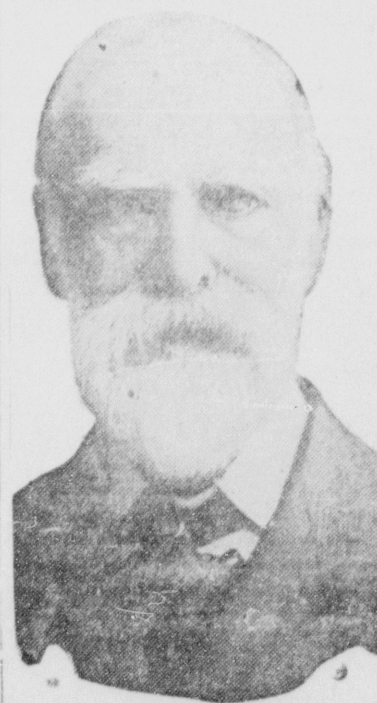

A special session of the county court was held Monday afternoon and Ed Flemming of Hopkins, who has been in the county jail since last November, was ordered sent to the insane asylum at St. Joseph. He was taken to that institution this afternoon by Sheriff Ed Wallace.

Flemming was in jail for drunkenness and disturbing the peace. He had been in before. Flemming was a hard drinker and it is thought that probably this had something to do with him being mentally unbalanced. He did not display any signs until Friday night, when he made an attempt to take his life by hanging himself with a rope he made from a blanket. He again tried this, but both times he was caught by Sheriff Wallace. The first time, however, Flemming had nearly succeeded in his attempt. He also imagines that a mob is after him. Friday night, Flemming expressed a wish and a desire to become a member of the church, and Sheriff Wallace sent for Rev. C. J. Miller of the First Christian church of this city, and Flemming was immersed.

Mr. and Mrs. M. L. Hoover of Savannah returned home Monday morning from a visit with Mrs. Hoover's father, J. T. Roberts and family.

## HON. JAMES BRYCE.

Retiring Ambassador From England, Who Sees End of Tolls Question.

Ambassador Bryce is quoted as having sent a report to London that President Wilson favored an early settlement of the vexed Panama canal tolls problem and intimated the president would soon issue a statement defining the administration's position.

## PLACE FOR CRAIG

GOVERNOR APPOINTS HIM IN PLACE OF S. G. GILLAM.

## BOTH MAY GO ON TRIP

Senator Craig Introduced Bill Providing for Commission to Visit Countries of Europe.

Senator Anderson Craig of this city was appointed Monday by Governor Major as Missouri member of the southern commercial congress, which will leave in a week or so for a trip to the old countries in Europe to study the question of agricultural credits. Mr. Craig was appointed to take the place of S. G. Gillam of this city, who declined the appointment, as he was uncertain at that time whether he would be able to make the trip on account of business reasons. Mr. Gillam was selected by Governor Major on April 7, and his resignation was given to the governor a few days after.

It is probable that Mr. Craig will be unable to make the trip to Europe. He has not definitely decided, however.

Mr. Gillam was chosen by the southern commercial congress at Washington, D. C., a delegate at large, and if he is able to make the trip he will go in that capacity.

Senator Craig favored the bill in the senate for the appointment of a delegate from this state by Governor Major to visit Europe. The purpose of the investigation is to work out some system which will enable the farmers of this country to borrow money at the very lowest rates of interest, and it is thought that the result will be to entirely reorganize and revolutionize the systems in operation in this country.

The countries that will be visited by the members of the southern commercial congress will be Italy, Hungary, Austria, Germany, Denmark, Sweden, Holland, Belgium, France, England and Ireland.

## DEATH AT SKIDMORE.

John Gray, an Old Resident, Passed Away Saturday Night of Cancer—Funeral Monday.

John Gray, aged 72 years, died Saturday night at 11:55 o'clock, after a several months' illness from cancer. He died at the home of his son, Mervyn Gray, in Skidmore. Another son, Theodore C. Gray, lives in Skidmore. Three daughters were also present when their father passed away, Mrs. Clara Burnham and Miss Bess Gray of El Paso, Texas, and Mrs. Allie Merritt of Fairisle, Neb. There are two other daughters, one in New York and another in Colorado. Mr. Gray's wife died many years ago. He had been a resident of the Skidmore vicinity for thirty-five years.

The funeral services were held Monday afternoon in the M. E. church of Skidmore, conducted by Rev. W. H. Welton.

STILL A MYSTERY.

Maryville's Mysterious Woman Still Puzzles Metropolitan Newspaper Sleuths.

Maryville's curious woman on East Second street is attracting, at least, attention from the newspapers, and the following is what the Sunday Kansas City Star had in regard to her:

Maryville still has her mysterious old woman—and she's just as mysterious now as she was the day last fall when she drove her fine team, hitched to a covered wagon, down into a low lot four blocks from the public square and put up for the winter. No one ever has been able to find out where she came from, where she is going, when she is going, or if she is going. Her motto is: "I don't ask nobody about their business and I don't tell nobody mine."

She lives squarely up to her motto, too.

Her name is Mary Ashby—Miss Mary Ashby at that. She is nearly 70 years old, has money, fine horses, and, unlike the traditional woman, she can keep a secret—and does.

Miss Ashby's domicile is a light spring wagon; that is, the main house is this wagon. In addition there is a "lean-to" built of discarded pieces of corrugated iron, old boxes and pieces of carpet and burlap. Both wagon and shack are crammed and jammed with trunks and boxes and bedding. Under the wagon is an enclosed space that serves as a henhouse. For the mysterious woman has a fine drove of chickens. Like her horses, the chickens are of good stock. The horses are on pasture out in the country near Maryville, and their owner draws a check regularly every month in payment of their keep. The check, which is on a bank back in Illinois, is always promptly honored.

When the strange woman took up her abode in Maryville persons in the neighborhood saw that she was all alone, and they sought to be friendly to her. Their advances met with a coldness that sent them back home in a hurry, but didn't allay their curiosity a bit. Their curiosity grew and they tried to find out more about her. But there never was a bit of success. Even when she fell ill during the coldest weather of the winter, and was taken to a nearby home for treatment and nursing, she never lost her uncommunicativeness. When she got well she thanked her benefactor and went back to her shack. But she didn't tell—not a word.

For awhile there were rumors that she was a member of a band of robbers and that she was hiding from justice. But those rumors soon died out. Now she is accepted as merely an eccentric woman who chooses to live alone with her horses and chickens—but nobody knows. She still sticks to her motto. She asks no one about his business. And, up to date, she hasn't told anyone about hers.

Mrs. M. L. Conley and children of St. Joseph, who have been visiting Mrs. Conley's mother, Mrs. H. A. Byers, returned home Saturday evening. The visitors stopped in Maryville from a visit in Chicago.

INTEREST CENTERS  
IN AMENDMENTS

Administration's Efforts Softens  
Japanese Ire.

Sacramento, Cal., April 21.—In the absence of new developments in the anti-Japan situation, interest centered in the amendments to be offered to the senate measure today by Senator Birdall, if the bill comes up. There is some doubt as to its being reached, as it is far down the list.

Birdall's amendments are designed to make the bill more particularly anti-Japanese by framing it so as not to affect corporations composed of European capitalists.

Other amendments may be offered. Some members have been in favor of striking out the restrictions on corporations altogether, but general opinion has been that such a method would so easy of evasion as to make the act inoperative.

Tokyo, April 21.—The announcement that President Woodrow Wilson and Secretary of State Bryan are making efforts to bring about a compromise in the proposed California legislation with respect to the alien land ownership bill and that Governor Hiram Johnson is opposing the bill has softened Japanese ire and public opinion has now become more optimistic.

### The Missouri Hen.

The worth of the Missouri hen has become world famous, and justly, too, as she has become a veritable gold mine to the Missouri farmer and poultry raiser. As an indication of her worth in and around Skidmore the Skidmore merchants took in Saturday one hundred and seventy cases of eggs or 5,100 dozen, which at 17 cents per dozen netted the sellers the magnificent sum of \$867. A part of this was cash, and all of it its equivalent, as one buyer was paying spot cash, and the sellers had the option of cash or merchandise.

This was not an accumulated stock of eggs, marketed in one day, but a regular Saturday's egg trade, bought through the regular channels of business, brought in and sold by the farmers.—New Era.

### Farmers, Test Your Seed Corn.

The passenger department of the Wabash railroad is again distributing printed posters broadcast at points on its line, urging farmers to test the seed corn which they propose to use for planting this spring. No seed corn should be used for planting until fully tested, in order to obtain the best possible results. The printed poster which is being distributed by the Wabash railroad is a facsimile of the germination cloth used in testing seed corn, and shows by illustrations a simple and comprehensive plan. Every farmer who proposes to plant corn this spring should secure a copy of this poster. Same can be obtained free from any Wabash agent, or by addressing J. D. McNamara, general passenger agent, Wabash R. R., St. Louis, Mo.

All persons having any of my chicken coops I would greatly appreciate their returning same at their earliest convenience.

## TARIFF BILL IN THE HOUSE

Amended Measure is Reintroduced by Underwood.

ONLY MINOR CHANGES MADE.

Majority Leader Predicts Passage of Measure in House by May 15—Oral Hearings on Bill Will Not Be Granted by Senate Finance Committee.

Washington, April 21.—The Democratic tariff revision bill, with its sweeping reductions, long free list and its income tax provision, was reintroduced in the house today by Majority Leader Underwood.

It will be reported favorably by the majority of the ways and means committee tomorrow and called up for debate on Wednesday.

Chairman Underwood predicted that the bill would be passed in the house by May 15. Two months, the administration leaders believe, is a generous time to allot to the senate for its consideration, and passage, and unless it is decided to bring in a currency bill thereafter, congress should be ready to adjourn about July 15.

The bill as approved by President Wilson came through the caucus unscratched. Democratic opponents to free sugar in three years, and to free wool, made the most vigorous fights on the president's suggestions adopted by the ways and means committee, but they were hopelessly outvoted with little chance to develop enough opposition with Republican alliance to do anything with their amendments on the floor of the house.

### Principal Changes Made.

The principal changes made in the bill were: Shoe machinery, buck wheat, rye, rabbit fur and phosphoric acid transferred from dutiable to the free list; onyx reduced from 65 cents to 50 cents a cubic foot, to put it on the same basis as marble; diamonds, uncut, are unchanged, but cut diamonds, increased from 15 to 20 per cent; castor oil, reduced from 15 to 12 per cent; cod, seal and herring oil, reduced from 5 to 3 per cent; vanilla beans, reduced from 50 to 30 cents a pound; salts and other compounds and mixtures of which bismuth, gold, platinum, rhodium, silver, tin and uranium constitute the chief value, cut from 15 to 10 per cent.

Representative Hardwick insisted it would be necessary to draw a line on the offering of amendments. He introduced a resolution, which was referred for subsequent action, providing the tariff bill shall be passed under a special rule, restricting general debate to eight legislative days, and that the minority in the house shall be limited in the offering of not more than two amendments as substitutes to each schedule of the bill.

The caucus adopted an amendment fixing May 1, 1916, as the date when raw sugar should go on the free list. The time when the income tax shall become effective was left subject to future disposition by the house.

### Minority Report Presented.

That ad valorem duties, such as proposed in the Democratic tariff bill, are "a delusion and a snare," that the radical tariff revision submitted by the Democrats is inexcusable and uncalled for and that an accounting will come for its enactment into law are contentions of the Republican members of the ways and means committee in a minority report presented to the house today.

"There is no excuse for the radical change in our revenue system proposed by this Democratic bill," says the report, which is signed by Representatives Payne, Fordney, Gardner, Moore, Green and Anderson. "The people have not asked it. The party proposing it is in power, not by the grace of a majority of the American people, but by a division in the ranks of the majority on other questions than of protection. The administration has the power to enact the legislation. The accounting for the abuse of that power will come later."

The report contends that the bill has caused "intense and widespread alarm in business circles."

Asserting that the Democratic bill "seems to meet with approval on the other side of the Atlantic," the report declares that the protective feature has been entirely eliminated in the framing of the bill.

Oral hearings on the tariff will not be granted by the senate finance committee, according to the unofficial opinion of Democrats of the committee. Business men interested will be allowed to file briefs, but the committee does not propose to spend several months in listening to arguments, which its members feel would be largely a repetition of the testimony already given before the house ways and means committee.

Appeal Issued for Prayers for China.

New York, April 21.—The Chinese government's request for the prayers of Christian churches within its borders Sunday, April 27, was made the subject of an open appeal to clergymen of all denominations throughout America to join in intercession for the new republic. The appeal was made by Dr. Arthur J. Brown, chairman of the committee of reference and counsel representing the foreign missions conference of North America and by the federal council of the churches of Christ in America.

### GOOD NEWS.

Many Maryville Readers Have Heard It and Profited Thereby.

"Good news travels fast," and the thousands of bad back sufferers in Maryville are glad to learn where relief may be found. Many a lame, weak and aching back is had no more, thanks to Doan's Kidney Pills. Our citizens are telling the good news of their experience with this tested remedy. Here is an example worth reading:

J. E. Bratcher, 1302 East Second street, Maryville, Mo., says: "It gives me pleasure to verify the testimonial I gave for Doan's Kidney Pills some years ago. I had kidney complaint and Doan's Kidney Pills relieved it. Others in the family have used this remedy for backache and kidney trouble and it has always done good work. I got Doan's Kidney Pills at Love & Gaugh's drug store and can say that they are a fine kidney medicine."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.—Advertisement.

### HOW TO RESIST.

#### Chronic Coughs and Colds.

Strong, vigorous men and women hardly ever catch cold; it's only when the system is run down and vitality low that colds and coughs get a foothold.

Now isn't it reasonable that the right way to cure a cough is to build up your run-down condition again?

Mrs. Olivia Parham of East Durham, N. C., says: "I took Vinol for a chronic cough which had lasted two years and the cough not only disappeared, but it built up my strength as well."

The reason Vinol is so efficacious in such cases is because it contains in a delicious concentrated form all the medicinal curative elements of cod liver oil, with tonic, blood building iron added.

Chronic coughs and colds yield to Vinol because it builds up the weakened, run-down system.

You can get your money back any time if Vinol does not do all we say. Orear-Henry Drug Co., Maryville, Mo.—Advertisement.

### Left for Oklahoma.

Mrs. A. L. Waite of Tulsa, Okla., who has been visiting her parents, Professor and Mrs. B. F. Duncan, left for her home Monday morning.

### "STOMACH MISERY ALL GONE."

"My! How I Did Suffer, But Now I'm Happy All Day Long and Sleep Fine."

That's what a woman said just a few months ago. She said more, and here it is: "I wish it lay within my power to persuade every woman sufferer from dyspepsia or indigestion (or whatever they may think their stomach trouble is) to give MI-O-NA Stomach Tablets one week's fair trial. I am sure that every one of them would thank me from the bottom of her heart."

"I am well and happy for the first time in years and I do not hesitate to give MI-O-NA Stomach Tablets all the credit." Follow this advice. Give MI-O-NA Stomach Tablets a week's trial; if they do not benefit, the Orear-Henry Drug Co. will return the cost—50 cents.—Advertisement.

## COLUMBUS (49510)

The Percheron bred horse is a black with long star, weighs about 1,800 pounds, foaled May 21, 1905. Was sired by Clay Center (44686) first dam Helen (48614). For further reference to breeding call for pedigree. Helen (48614) the dam of Columbus (49510) was bought by the agricultural college of Lansing, Mich., at a long price and has since proven to be a very valuable mare. She weighs 2,000 pounds and has quality and moves like a Coach horse. Clay Center, the sire of Columbus, is one of the leading sires in Illinois and weighs 2,150.

Columbus has great style and action, with the best of legs, hocks and eyes. He has proven to be one of the best sires, one of his colts weighing 900 pounds at six months, and selling for \$150, and yearling fillies selling for \$175 each.

Columbus will make the season of 1913 at my farm, three-quarters of a mile southwest of Wilcox, at \$12.50 to insure colt to stand and suck. Mares parted with or moved from neighborhood money becomes due. Colts stand for service fee until same is paid. Care will be taken to prevent accidents but will not be responsible should any occur.

For any information or dates of service telephone me 12-15 at Maryville or write me at Wilcox.

## I.W.W. SWARM AT GRAND JUNCTION

Industrial Workers, Sixty Strong, Settle Down Upon Town.

### REFUSE TO PAY FOR MEALS.

Citizens Spend Night Organizing Posse to Drive Them From Town. Police Have Hands Full in Rounding Up Unwelcome Visitors.

Grand Junction, Colo., April 21.—Sixty militant members of the Industrial Workers of the World arrived in Grand Junction and at once caused trouble with the police. Led by Jack McDonald, martyr of San Diego, they marched at once to police headquarters, where they demanded food. It was denied them.

Sixty of the band then went to a restaurant, where they ordered a plentiful meal, for which they refused to pay. The proprietor called the police and special deputies arrived at the restaurant before the Industrial Workers of the World had left. With drawn revolvers the deputies demanded and forced payment for the dinner.

The men then declared that there was no money in the party, but they expected to stay in the city for three days and he fed. Citizens spent last night organizing posses to drive the visitors from Grand Junction today.

### CONFESSES SLAYING THREE

Week Minded Youth Admits Killing Mrs. Sleep and Two Children.

Elgin, Ill., April 21.—Herman Copes, whose mentality is so low that at sixteen years of age he has been only able to advance to the fourth grade in school, confessed that he was the slayer of Mrs. Sleep and her two small children, whose bodies were found in a cistern under the kitchen of the Sleep farm house, five miles west of Elgin. Copes says the killing resulted from Mrs. Sleep saying that she "would see about it" when he had refused in ill-humor to do one of his accustomed chores after school.

### GOVERNMENT STANDS FIRM

No Indication That It Will Recede From Position in Strike.

Brussels, April 21.—Spokesmen of the government do not admit that there is any intention to alter their position in the slightest in the general strike for manhood suffrage. There is no doubt, however, that events of the last week have made a profound impression, and in well informed political circles nobody would be surprised to see the government make overtures when the chamber reconvenes tomorrow.

### URGES WORK CURE FOR SPRING FEVER.

Topeka, April 21.—A blow at the old time "spring tonics," sassafras and sarsaparilla, was given by Dr. S. J. Crumrine, secretary of the Kansas board of health. He declared the judicious use of a hoe, spade and garden rake each morning was much more useful than the remedies mother used to make.

St. Louis Suburb Wiped Out by Fire. St. Louis, April 21.—Fire wiped out the business section of Penton, a village sixteen miles southwest of St. Louis, and destroyed several homes. The blaze was put out only when an engine company made a run from the outskirts of St. Louis. The loss is estimated at \$200,000. A hundred persons are homeless.

Police Say Martin Is Not in Vevey. Vevey, Switzerland, April 21.—The police of this city have visited every hotel, boarding house and clinic, taking with them a photograph of Joseph W. Martin of Memphis, who has been missing from London since April 3 but they were unable to find him. They are convinced he is not in Vevey.

Train Numbers Changed. Fort Dodge, Ia., April 21.—For the first time in thirty years the numbers of Illinois Central trains between Chicago and Omaha and Sioux City will be changed. Where the lowest number heretofore has been No. 2 east bound, No. 11 now will be the lowest.

Road Fined for Favoritism. Indianapolis, April 21.—The Michigan Central Railway company was fined \$5,000 by Judge Anderson on conviction on two indictments charging it with granting unlawful concessions in rates to Chapin & Co., Milwaukee grain shippers.

New Vice Consul General. Yankton, S. D., April 21.—Sig O. Hanger of Yankton has been notified by Norwegian Consul General Ravn of New York that he has been appointed vice consul for South Dakota, an important position in this state of large Norwegian population.

John P. White at Boone. Boone, Ia., April 21.—John P. White, president of the United Mine Workers of America, arrives here Thursday for a big evening rally in Lincoln armory. White is to talk on organization and union labor.

Here From Des Moines. Roy D. Brunson of Des Moines, Ia., arrived in Maryville Saturday and visited over Sunday with Mrs. Brunson and their little daughter, who arrived in the city last Thursday on a visit to her parents, Mr. and Mrs. I. W. Nixon.

Rev. and Mrs. J. A. Carmichael, living east of Maryville, went to Burlington Junction Saturday evening to spend Sunday with their daughter, Mrs. G. M. Worth.
